Also from its use one person has died

These Plaintiffs further say that on the 27th day of January 1877 the inhabitants of said settlement at a meeting called for that purpose ~~authorized~~ passed a resolution authorizing and requesting these plaintiffs in their own behalf and in behalf of said settlers to take such measures as the law provides to cause said nuisance to be enquired into and abated.

They therefore pray judgment that the said nuisance be abated and that the said defendants and each of them their servants and agents and others interested or that may become interested be enjoined and prohibited from creating or continuing any crusher or mill or other machinery on said stream, and from using the water in said creek for any purpose inconsistent with the rights of the inhabitants of said ~~south~~ settlement, and from poisoning or otherwise rendering the water impure or dangerous to health or from rendering its use dangerous to their health, comfort life or the enjoyment of their property and that the reasonable damages which have

accrued may be assessed and for a judgment against said defendants for such as the court deem reasonable
