XVI

That the following parties defendant have enjoyed the use of water diverted from other than natural channels or sources, such as developed water, seepage and drain water, etc. That, inasmuch as the statutes fail to clearly define these classes of water, as public water, no determination is made with respect to the rights, if any, acquired.

Claim No.	Name	Remarks
777	Abraham Irr. Co.	15 c.f.s. well water right falls in developed class.
569	Anderson, Annie B.	Drain water.
457	Day, Eli A.	Drain Water.
681	Gribble, W. H.	Flowing Wells (1912 priority).
