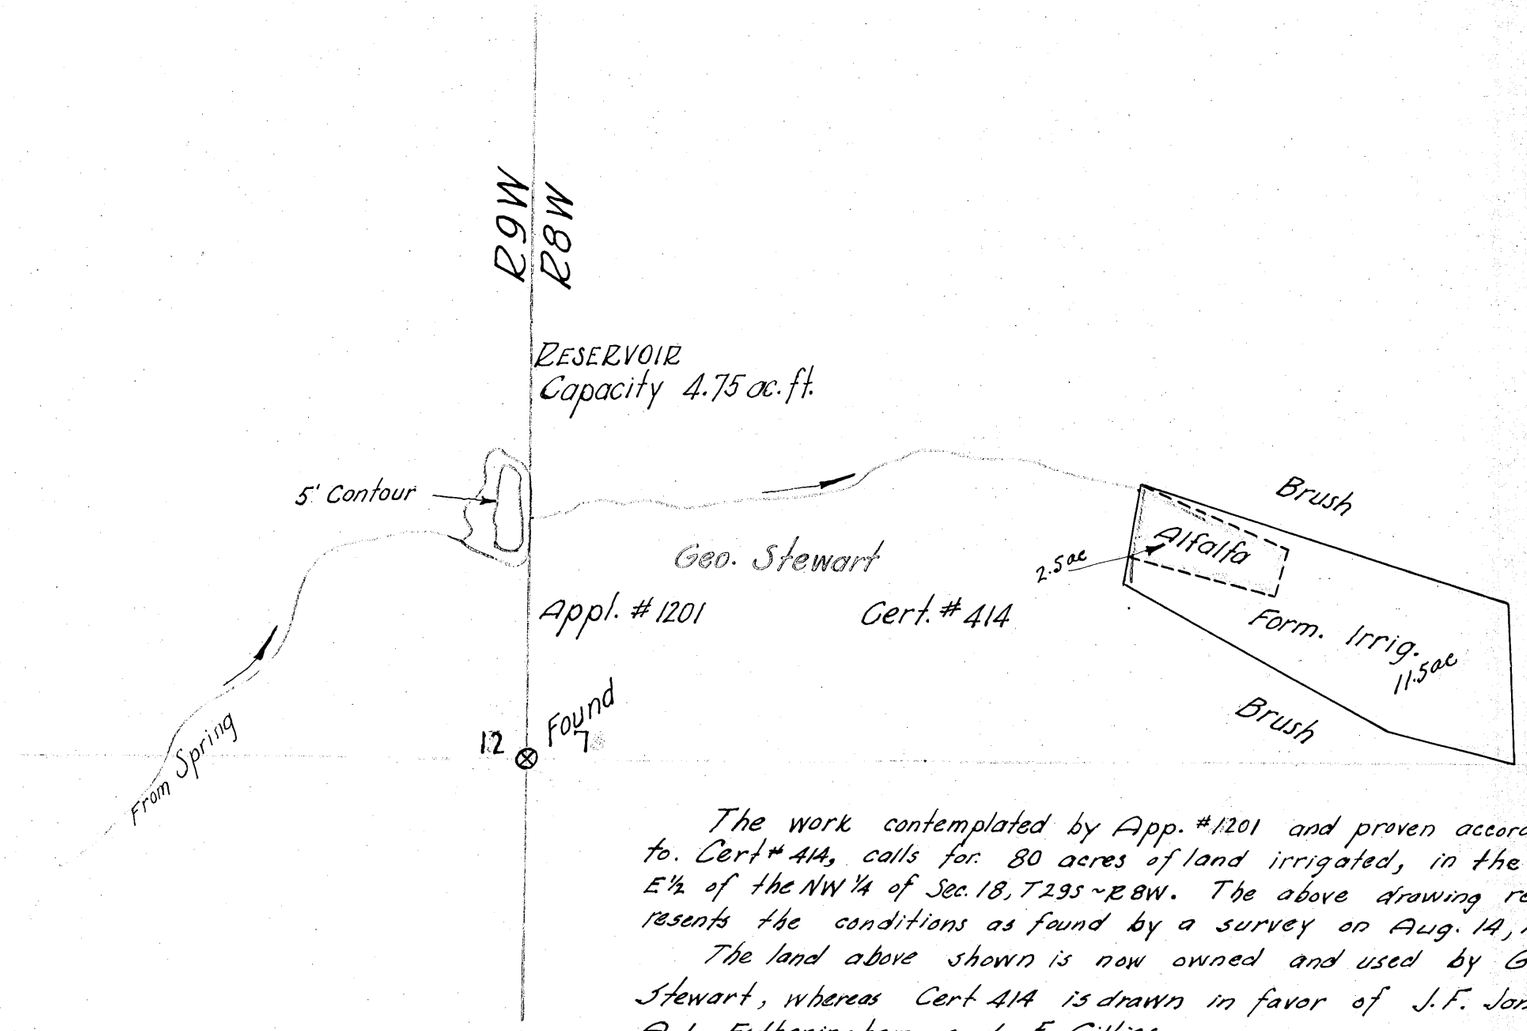
T29S R8W

H-15

66



The work contemplated by App. #1201 and proven according to. Cert # 414, calls for 80 acres of land irrigated, in the E½ of the NW¼ of Sec. 18, T29S ~ R8W. The above drawing represents the conditions as found by a survey on Aug. 14, 1926.

The land above shown is now owned and used by Geo. Stewart, whereas Cert 414 is drawn in favor of J.F. Jones, A.L. Fotheringham, and E. Gillies.
