Mr. D. Earl Harris, Chairman
Weber River Water Rights Committee
415 Eccles Building
Ogden, Utah

Dear Mr. Harris:

Reference is made to your letter of February 15, 1962 in which you request that we mail you the amount of $1489.00 set out in the Weber River budget for committee expenses.

This office has reviewed this budget in detail and while this item appears to us to be reasonable, we believe it is necessary and to the best interest of the system, that a detailed accounting of the expenditures of these funds be made for the group at next year's annual water users meeting. This would allow us to satisfy all water users that the amount requested is necessary and is being properly expended. If there is any money remaining in this fund after this year's operation, it must be applied to the next year's budget or to the Weber River Distribution Bank Reserve.

We are enclosing as per your request $1489.00 which covers the 1962 budget item.

We trust this letter will advise you of the requirements necessary in handling this money.

Yours very truly,

Wayne D. Criddle
