Ralph E. Bonner	App. No. 24632	February 26, 1953 11:20 a.m.
William E. Bonner	App. No. 24633	February 26, 1953 11:30 a.m.
William E. Bonner	App. No. 24634	February 26, 1953 11:40 a.m.

On each of these applications, at the top of page 3, has been typed the priority of each application, which is the time the application was actually filed in the State Engineer's office. This was done without erasing the date and time that the application was received in the State Engineer's office as is shown in paragraph 1 of page 3 of each application.
