Gentlemen:

RE: SEVIER RIVER DISTRIBUTION

By letter dated June 20, 1951, a notice in the form of a Proclamation by the Governor of the State of Utah was forwarded to you for publication in three weekly issues of your newspaper beginning June 29, 1951 and ending July 13, 1951.

Proof slips of the publication were thereafter forwarded to this office. However, we have not as yet received your affidavit of publication and bill in duplicate covering the cost of publication. It is necessary that the affidavit in duplicate and the bill in duplicate be submitted immediately by reason of the imminent closing date on bills incurred during the last biennium.

Yours truly,

Joseph M. Tracy
