Dear Mr. Tracy:

Enclosed are some clippings of the Proclamation by the Governor sent out by your office last week. The letter was mis-sent through the mails to Magna, Utah, and so did not arrive here in time for us to send you a proof copy before the first publication.

If there are any changes on the Proclamation as we printed it, please advise us, or let us know if it is correct as is.

Yours very truly

R. LaVaun Cox
