Dear Sir:

Enclosed is a clipping of the Notice to Water users, which ran in this paper last week. The order arrived when we were on vacation, so we did not get a proof submitted prior to publication. We checked the notice, as run, against the copy so believe it is correct as run. If it is correct, or if there are changes to be made, please let me know by return mail.

I have received your letter asking for proof of publication and invoice in duplicate. Our records show that this billing was made on the Proclamation in mention on July 14, immediately after it was completed. Since it is apparent that you have not received the proof and invoices, we are billing you again for the same.

Yours very truly

R. LaVaun Cox
