Honorable Herbert B. Maw
Governor of the state of Utah
Capitol Building
Salt Lake City, Utah

Dear Governor Maw:

At the request of the people of New Castle, Utah, in Iron County, I enclose herewith a petition which has been duly signed by a large majority of representative citizens of the community and area.

The petition is self-explanatory, and, I trust, may receive favorable action by your office at the earliest possible date.

Thank you very much.

Yours truly,

Lamont E. Tueller,
County Agri. Extension Agent
