

W I T H D R A W A L P R O C L A M A T I O N
December 19, 1946

Green River, in Daggett and Uintah Counties; Little Brush Creek, Brush Creek, Ashley Creek, Uintah River, Yellowstone Creek, Lake Fork Creek, Rock Creek, Duchesne River, Strawberry River, Provo River, Spanish Fork Creek and all tributaries of said streams.

Provided, however, there is excepted from the effect of this proclamation as to the streams named above (1) isolated water holes, springs and underground water in the drainage areas of the streams named above; (2) applications for appropriation of not exceeding five second feet of water for any one project; (3) applications for change of point of diversion, place and nature of use of such surface and underground water and (4) applications for exchange.

I also suspend the right of the public to appropriate the surplus and unappropriated water of the Sevier River,

Provided, however, there is excepted from the effect of this proclamation as to the Sevier River (1) isolated water holes, springs and underground water in the drainage areas of the streams named above; (2) applications for change of point of diversion, place and nature of use of such surface and underground water and (3) applications for exchange.
