

Central Utah Water Company shall immediately segregate and assign to the Deseret Irrigation Company, Melville Irrigation Company, and Abraham Irrigation Company all of the right, title and interest of each of said companies in and to water filing No. 1367 A in the office of the State Engineer of the State of Utah as their interest appears by the said Four-Party Contract, and assign to the Delta Canal Company, Melville Irrigation Company, Deseret Irrigation Company and Abraham Irrigation Company all of the right, title and interest of each of said companies in and to water filing No. 4562 in the office of the State Engineer of the State of Utah as their interest appears by the said Four-Party Contract, it being understood that the interest of the Central Utah Water Company, the Deseret Irrigation Company, Melville Irrigation Company and Abraham Irrigation Company in and to water filing No. 1367 A is as follows:

Central Utah Water Company	51.1%
Melville Irrigation Company	17.9%
Deseret Irrigation Company	27.3%
Abraham Irrigation Company	4.6%

IT IS FURTHER ORDERED, ADJUDGED and DECREED that the interest of the Central Utah Water Company, Delta Canal Company, Melville Irrigation Company, Deseret Irrigation Company and Abraham Irrigation Company in and to water filing No. 4562 is as follows:

Central Utah Water Company	35.4%
Delta Canal Company	30.7%
Melville Irrigation Company	11.8%
Deseret Irrigation Company	18.9%
Abraham Irrigation Company	3.2%

And that each of said companies shall make proof in the office of the State Engineer of the State of Utah of their respective interests in each of said filings within the time allowed by law or any extensions, and if any company fails within sixty days previous to the time allowed to make final proof of its interest in its segregated water filings as provided by law, or any extension of time, then and in that event any other of said parties may do so at the cost and expense of the defaulting party.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that as between the Delta Canal Company, Deseret Irrigation Company, Melville Irrigation Company, Abraham Irrigation Company, and Central Utah Water Company, that whenever the water available for storage in the Sevier Bridge Reservoir, as set forth in this decree, shall be 104,000 acre feet or less in any one season, that the said Companies, pursuant to the provisions of what is commonly known as the "Four-Party Contract", shall participate in and own the waters so stored in the following percentages:

Delta Canal Company	50%
Deseret Irrigation Company	16 $\frac{2}{3}$ %
Melville Irrigation Company	28 $\frac{1}{3}$ %
Central Utah Water Company	5%
