

The division as between the owners of Sevier Bridge Reservoir of the waters to be irrevocably decreed to said Sevier Bridge the Deseret Irrigation Company shall have the right to hold such excess in the Sevier Bridge Reservoir as an equalizer to the extent of the Deseret Company's ownership of capacity in said Sevier Bridge Reservoir not otherwise used at such time, and provided further that as soon as storage space in said Gunnison Bend Reservoir is available, the waters so detained in said Sevier Bridge Reservoir shall be withdrawn from said Sevier Bridge Reservoir and restored in said Gunnison Bend Reservoir.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that in the event the said Gunnison Bend Reservoir will not hold all or any portion of the Abraham Irrigation Company's Class D right, that is, 4285.6 acre feet between April 1 and July 1 in any year that said Class D right is available, then and in that event the Abraham Irrigation Company shall have the right to hold such excess in the Sevier Bridge Reservoir as an equalizer to the extent of the Abraham Company's ownership of capacity in said Sevier Bridge Reservoir not otherwise used at such time, and provided further that as soon as storage space in said Gunnison Bend Reservoir is available, the water so detained in said Sevier Bridge Reservoir shall be withdrawn from said Sevier Bridge Reservoir and re-stored in said Gunnison Bend Reservoir.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that all losses on stored primary water in the Sevier Bridge Reservoir from seepage, evaporation, or any other cause or causes, shall be charged to and borne by the party or parties storing the same. This provision shall apply only as between Sevier Bridge Reservoir and persons or companies storing primary water therein. The several corporations and/or individuals listed as having storage privileges in the Sevier Bridge Reservoir, that is, exchange users, and including the Leamington Irrigation Company and the Samuel McIntyre Investment Company, shall be exempt from charges or deductions for losses from any cause on water stored in the Sevier Bridge Reservoir.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that the Sevier River water commissioner shall file within ten days after the expiration of each calendar month between March and November inclusive, of each and every year, either in his own office or in the office of the State Engineer each individual's or corporation's record of diversion of water from the Sevier River and/or reservoir or reservoirs, for the previous month, together with the amount of water due each Company or individual as of the last day of said previous calendar month.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that for the purpose of ascertaining from time to time the losses and gains in the Sevier Bridge Reservoir that the Sevier River water commissioner shall maintain a stream gauging station on the Sevier River and keep a record of discharge of the river at such gauging station, which shall be as near the back water of
