

the Sevier Bridge Reservoir as is practicable.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that temporarily and until finally determined, the allowance of water to be credited to the primary water between the Gunnison gauging station on Sevier River and the Juab gauging station on Sevier River, shall be 20 cubic feet per second between March 1 and October 1.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that August C. Sievers and Freemont D. Graue, successors in interest to Fred A. Rathje and A. D. Graue, are entitled annually to the use of 1,000 acre feet of the waters flowing from that certain spring known as the Lower Molen Spring (sometimes referred to as the Blue Spring), said waters to be diverted from said spring into an unnamed ditch and used to irrigate 250 acres of land situated in sections 10, 15, 22 and 27, Township 16 South, Range 2 West, Salt Lake Meridian, to be used between March 15 and October 15 in each and every year, and also the owner of the right to use .75 cubic feet of water per second of time from said spring for stock watering purposes from October 15 to March 15 of each year. The water herein decreed to said August C. Sievers and Freemont D. Graue shall be measured in the diversion canal from said spring at a point one-fourth mile northerly from said spring. All other water yielded by said spring shall be turned into the Sevier River for use by the parties entitled to the same.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that the Levan Irrigation Company is entitled to the use of a maximum of 40.80 c.f.s. and a minimum of 17.84 c.f.s. of the waters of Pigeon Creek from April 1 to October 15 in each and every year, with date of priority as of 1865; said water shall be diverted from Pigeon Creek at a point in the Southwest quarter of the Southwest quarter of Section 28, Township 14 South, Range 1 East, into an unnamed canal and used to irrigate 1426.5 acres of land under its canal system; and shall further be entitled to the use of a maximum of 42.88 c.f.s. and a minimum of 18.75 c.f.s. of the waters of Chicken Creek from April 1 to October 15 in each and every year, with priority date as of 1865, to be diverted from Chicken Creek at a point near the center of Section 33, Township 14 South, Range 1 East, into an unnamed canal and used to irrigate 1500.1 acres of land under its canal system.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that the Metal Grip Plaster Company is entitled to the use of 6.25 c.f.s. from January 1 to December 31 in each and every year of the waters of Chicken Creek for power purposes only, to be diverted from said Chicken Creek at a point 4061 feet East and 950 feet South of the East quarter corner of Section 33, Township 14 South, Range 1 East, into an unnamed ditch and pipe line aggregating 7030 feet in length, and used for generating power for use at Levan, Utah, with a priority date of May 8, 1906; and after having been so used, the water is to be returned to the natural channel at a point which bears South 10 degrees 08 minutes East
