

IT IS FURTHER ORDERED, ADJUDGED and DECREED that Pearl A. Black, Thomas Paxton, Roberts & Watts, and Hyrum Iverson, and their successors in interest, are entitled to the use of 6.70 c.f.s. of the waters of Dry Wash, with priority date as of 1900, with period of use from April 1 to October 15. Said water to be diverted from Dry Wash at each, either or both of the following described points: (1) 500 feet East and 600 feet South of the Northwest corner of Section 36, Township 23 South, Range 6 West, into an unnamed ditch; (2) 2400 feet North and 400 feet East of the Southwest corner of Section 25, Township 23 South, Range 6 West. Said water is used to irrigate 267.5 acres of land owned and described as follows:

Claim No. 761--Black, Pearl A...	150.1 acres in Section 13, Town-
	ship 23 South, Range 6
	West.
Claim No. 767--Paxton, Thomas..	87.4 acres in Section 26, Town-
	ship 23 South, Range 6
	West.
Claim No. 768--Roberts & Watts)	30.0 acres in Section 25, Town-
Iverson, Hyrum..)	ship 23 South, Range 6
	West.

Total..... 267.5 acres

Said water to be prorated to the owners of the right to the use thereof for periods of time in proportion as their respective acreage bears to the whole acreage.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that the right of the West Hinkley Land & Water Company to the use of water applied for in its application No. 4060 in the office of the State Engineer of the State of Utah, with priority date as of November 6, 1911, is hereby decreed to the said West Hinkley Land & Water Company subject to it making final proof in the office of the State Engineer of the State of Utah.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that the right to the use of all the waters of the said Sevier River hereinafter set forth, are to be satisfied out of the waters arising in or yielded in that section of the Sevier River below the impounding dam of the Gunnison Bend Reservoir in Millard County, Utah; and the right to the use of all of the waters yielded in said section of the river below the impounding dam of the said Gunnison Bend Reservoir are hereby awarded, distributed and decreed as follows:

The first 6.66 $\frac{2}{3}$ c.f.s. yielded by said river below said impounding dam from March 1 to November 1 in each and every year is hereby awarded and decreed as follows: To Noah Rogers, 2 c.f.s.; to Joseph Dewsnup, 1.33 $\frac{1}{3}$ c.f.s.; and to Thomas Dear-don, William Conk, Amanda Conk, Henry Conk, and their successors in interest, jointly, 3.33 $\frac{1}{3}$ c.f.s. to be diverted from said River at what is commonly known as the Conk Dam. The said 6.66 $\frac{2}{3}$ c.f.s. of the waters yielded by said Sevier River below the impounding dam of the said Gunnison Bend Reservoir is here-
