

4. The South Cache Stock Association is entitled to stockwatering rights from the sources and in the quantities set forth in Water User's Claims Nos. 25-4991 to 25-5002, inclusive.

5. Water User's Claim No. 25-4615, in the name of Wayne L. Sorensen is amended to show a point of diversion of South 600 feet and West 2500 feet from the East $\frac{1}{4}$ Corner, Section 18, T11N, R1E, SLB&M.

6. By agreement of the water users, the rights to the use of water from Welch Spring are amended to show that the Sarah H. Baer Estate is entitled to a $\frac{3}{7}$ interest in Welch Spring for the irrigation of 9.9 acres of land as set forth in Water User's Claim No. 25-4988, and that C.W. and Elsie D. Hubbard are entitled to the remaining $\frac{4}{7}$ interest in said spring as set forth in Water User's Claim No. 25-2175.

7. Beatrice Foods Company is entitled to the use of water for domestic and stockwatering purposes as set forth in Water User's Claims Nos. 25-4863 and 25-4864.

8. The Utah Board of Water Resources is the owner of certain water rights now shown in the names of individual water companies in this area, and the Board joins in the claims of these companies. The Board holds title to said water rights by virtue of a contract between the Board and each of the individual companies for the construction of a water conservation project. However, said water rights are being re-purchased by the companies pursuant to the terms and conditions of these contracts. The Utah Board of Water Resources is entitled to water rights as follows:

- a. Water User's Claim No. 25-2226, which is now shown in the name of College Irrigation Company;
