

b. Water User's Claim No. 25-3507, which is now shown in the name of Spring Creek Water Company;

c. Water User's Claims Nos. 25-4526, 25-4258, 25-4525, 25-3493, 25-4474, and 25-4475, which are now shown in the name of Nibley-Blacksmith Fork Irrigation Company.

9. Robert Byram and Sons are entitled to the use of water from Windy Knoll Springs Nos. 1 and 2 as set forth in Water User's Claim No. 25-4871.

10. Clear Creek Irrigation Company is entitled to a water right for the irrigation of 155.2 acres as a sole supply and for the irrigation of 77.3 acres as a supplemental supply as set forth in Water User's Claim No. 25-4852. In order to accomplish this amendment to the Proposed Determination of Water Rights, it is necessary to make the following amendments to existing claims: Water User's Claim No. 25-4444 in the name of Oscar T. Maurer Estate is amended to show the addition of Water User's Claim No. 25-4852 in the first category as a supplemental right; Water User's Claims Nos. 25-4526 and 25-4527 in the name of Nibley-Blacksmith Fork Irrigation Company and Nos. 25-4259, 25-4260, 25-2302, and 25-2303 in the name of College Irrigation Company are amended to show the addition of Water User's Claim No. 25-4852 as a supplemental right in the appropriate categories.

Water User's Claim No. 25-4617 in the name of Owen and Virgil Jensen is disallowed because it is covered by Water User's Claim No. 25-4852, which is in the name of Clear Creek Irrigation Company.

11. Alma F. Harris is entitled to the use of water for irrigation purposes as set forth in Water User's Claim No. 25-2235.
