

12. Neville C. Hunsaker is entitled to the use of water from six unnamed springs on his property for stockwatering purposes as described in Water User's Claim No. 25-4673.

13. John Russell Johnson is entitled to the use of water for irrigation purposes as set forth and described in Water User's Claim No. 25-5286.

14. Keller Grazing Corporation is entitled to a stockwatering right as described in Water User's Claims Nos. 25-4826 to 25-4854, inclusive.

15. Keith W. McBride is entitled to a stockwatering right on the Blacksmith Fork River where it passes through his property as described in Water User's Claim No. 25-4868.

In order to accomplish the inclusion of said water right for Keith W. McBride, it is necessary to delete the description of the McBride property from the Water User's Claims of Seth C. Wilson and Homer Petersen. This has been accomplished, and the corrected description for the water right of Seth C. Wilson is contained in Amended Water User's Claim No. 25-4380 and the corrected description for the water right of Homer Petersen is contained in Amended Water User's Claim No. 25-4381.

16. The Proposed Determination of Water Rights is amended to show that the water rights evidenced by Water User's Claims Nos. 25-4429, 25-4524, and 25-4525 are owned by Millville Irrigation Company and not Millville Canyon Irrigation Company.

17. Pursuant to the agreement of the water users involved, the Proposed Determination of Water Rights is amended to show the following rights in the Old Mill Race water (seepage and springs): Oscar A. & Leora H. Monson, a one-third interest as set forth in Water User's Claim No. 25-4853; Joseph L. & Maxine E. Jessop, a one-third interest as set forth in Water
