

11. It is recommended that the rights to the use of water within the area included in this proposed determination be decreed to the various parties substantially as set forth herein. It is further recommended that the Court require that the State Engineer, at periodic intervals of not less than five years, make his report to the Court for inclusion in a supplemental order or decree, said report to include adjustments, corrections of names of owners, and of their addresses, action taken on pending applications, and such other matters as time may indicate to the Court to be just and proper.

12. In all matters whatsoever pertaining to this proposed determination of water rights, the services and assistance and advice of the office of the State Engineer are and shall remain available to the Court.

Dated August 24, 1960.
