

of the United States for the benefit of the Shivwits Band and the Shivwits Band over which the Court has jurisdiction to determine.

D. This Court retains jurisdiction over this matter for the enforcement of this judgment, but only as to the determination, quantification and distribution of the water rights set forth in this Decree. The Court does not exercise or retain jurisdiction as to those parts of the agreements which do not deal directly with the determination, confirmation, quantification or distribution of the water rights confirmed in this Decree. Further, nothing herein shall preclude any party from challenging the Court's continuing jurisdiction or be deemed to waive any defenses which may be applicable.

E. Except to the extent provided in Subsections (a), (b) and (c) of § 208 of the Department of Justice Appropriation Act, 43 U.S.C. § 666 (1953), nothing in this Decree shall be construed as a waiver of the sovereign immunity of the United States.

F. Pursuant to Section 14(a) of the Shivwits Band Water Rights Settlement Act enacted by Congress, certain actions must take place before the waivers executed by the United States on behalf of the Shivwits Band become effective. Any party may petition this Court, pursuant to Rule 60(b), U.R.C.P., to amend or rescind this Decree in the event all of the conditions in Section 14(a) and the deadline set forth in Section 14(b) of the Act are not satisfied.

G. This Decree determines and settles multiple claims by some but not all of the parties to the Virgin River General Adjudication, but is final as to the parties to the Stipulation and the Agreements, and all other parties to the Santa Clara portion of the Virgin River Adjudication. Therefore, pursuant to Rule 54(b), U.R.C.P., the Court hereby finds and expressly determines that there is no just reason for further delay in the entry of a final judgment in this matter.
