Purpose: In accordance with Chapter 73-4, Utah Code Annotated, and the Third Judicial District Court (Civil No. 365729849), the State Engineer is authorized and ordered to conduct a general determination of the rights to the use of all water, both surface and underground, within the drainage area of the Midway Subdivision, Provo River Division, of the Utah Lake and Jordan River drainage in Utah County.

Efforts are currently underway and over the next few months, representatives of the Division of Water Rights will be working in the Midway area to survey existing water rights and investigate water user's claims. In light of this work, the public is invited to a Public Meeting. Representatives from the Division of Water Rights will be available during this time to discuss the adjudication process, review water rights within the area, and answer questions.

If individuals cannot attend, but have questions regarding the adjudication process or water rights within the Midway area, please contact the Division of Water Rights at (801) 538-5282.
