A recording of the meeting will also be available on-line under the meetings tab at the following address: <http://www.waterrights.utah.gov/>

Purpose: In accordance with Chapter 73-4, Utah Code Annotated, and the Seventh Judicial District Court (Civil No. 810704477), the State Engineer is authorized and ordered to conduct a general determination of the rights to the use of all water, both surface and underground, within the drainage area of the Eastland Subdivision, San Juan River Division of the Southeastern Colorado River General Adjudication.

Efforts are currently underway and over the next few months, representatives of the Division of Water Rights will be working in the Eastland area to investigate water user's claims. In light of this work, the public is invited to a Public Meeting. Representatives from the Division of Water Rights will be available during this time to discuss the adjudication process, review water rights within the area, and answer questions.

If individuals cannot attend, but have questions regarding the adjudication process or water rights within the Eastland area, please contact the Division of Water Rights at (801) 538-5282.
