Dear Sir:

This is to inform you that there will be a general policy meeting concerning the Curlew Valley area of Box Elder County, Utah, on March 12, at 2:00 p.m. in the Box Elder County Court-house in Brigham City, Utah.

At that time information from the recently completed report of the United States Geological Survey will be presented as well as other information pertaining to the number of filings on record, etc. It would certainly be to your advantage to be in attendance at this meeting.

Following the presentation we will give each applicant an opportunity to present his views as to what future action should be taken in the Curlew Valley. After this discussion the State Engineer will establish the future policy relative to the development in the Curlew Valley.

Yours truly,

Dee C. Hansen
State Engineer
