Dear Water User:

Enclosed is a copy of the report entitled "Hydrologic Data for Curlew Valley, Utah," recently published by the Division of Water Rights. It is a compilation of hydrologic data collected between 1993 and 1997 in Curlew Valley. The State Engineer will hold a public meeting on March 3, 1999 to discuss the data contained in the report, current water administration policy, and future water management alternatives for Curlew Valley. Following is information on time and location for the public meeting:

Place: Snowville Town Hall
Date: Wednesday, March 3, 1999
Time: 2:00 P.M.

If you are unable to attend the meeting, but would like to comment on the report or the current policy regarding ground water in Curlew Valley, please send your written comments to:

Division of Water Rights
Northern Regional Office
1780 N. Research Parkway, Suite 104
Logan, Utah 84341

In accordance with the Americans with Disabilities Act, individuals needing special accommodations should notify Glenda McMaster at (801) 538-7240, prior to the meeting.

Your participation is greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert L. Morgan".
