Sessions and times are subject to change.

A total of six (6) Continuing Education Credits are available for this seminar, which can be applied toward Utah license renewal requirements. Attendance certificates will be distributed to participants at the end of the seminar. Please notify Jim Goddard or Jesse Nelson if you do not plan on attending the entire seminar so we can get the adjusted attendance certificate to you before you leave. Remember that a copy of the attendance certificate must be sent in with your renewal application as proof of continuing education.
