

# TITLE TRAINING SEMINAR

Title Training Seminar conducted by the Office of the State Engineer on April 20, 2011, at 2:00 pm at the Division of Water Rights, Salt Lake City Office, located at 1594 West North Temple, in room #1060.

## PRESENTATIONS:

Where's the Data? Division of Water Rights Website – James Greer

The Utah Division of Water Rights provides vast amounts of information and data on their website. Water right records, diversion data, publications, and much more is all available if you know where to find it. This presentation will give a brief overview of what data is available and where to access the information.

Fundamentals of Water Right Conveyance – Randy Tarantino

This presentation examines the potential problems encountered in preparing, and the process for reviewing the Report of Water Right Conveyance. The presentation will cover: (1) Using the division's website, (2) Navigating the division's website for conveyance, (3) Common issues and suggested ways to address these issues, (4) the Report of Water Right Conveyance review process, with examples.

Special Items of Interest – Utah Lake/Jordan River & Weber/Western Regions

Each Regional Area within the State of Utah is unique. This presentation will cover special items of interest associated with the conveyance process in the particular regions.

If you plan to attend, please contact Randy Tarantino or Susan Glenn. This will allow the Title Section to plan accordingly. Thank you for cooperation in this matter. Your attendance will be appreciated and we look forward to seeing you on Wednesday, April 20, 2011.
