MICHAEL R. STYLER KENT L. JONES
Executive Director *State Engineer/Division Director*

November 27, 2013

Dear Water User or Interested Party:

The State Engineer held a public meeting on October 29, 2013 regarding the operation of the 1938 Power Contract on the Weber River. At the meeting, the deadline for submitting written comments was set as December 6, 2013. In order to accommodate the needs of some of the water users and interested parties the State Engineer is hereby extending the comment period deadline to December 27, 2013.

If you would like additional information or clarification please contact Jared Manning at 801-538-7380 or by email at jaredmanning@utah.gov.

Sincerely,

Kent Jones, P.E.
Utah State Engineer
