

Water Rights *Certification:*

**Why should
you Certify
in Water Rights?**

**Certifying in Water Rights
is a TANGIBLE way to
demonstrate your
Water Rights Knowledge.**

Take advantage of this new water Rights Certification opportunity and make your water rights dealings much simpler and easier.

The Division of Water Rights and the Rural Water Association of Utah have developed this certification and the training that accompanies it.

One who takes and passes the Water Rights Certification exam will be capable of navigating Utah's complicated water rights system effectively.

Present:

Water Rights Certification

April 10 - 11, 2014

Certification Training Location:

Division of Water Rights
1594 West North Temple
Salt Lake City, UT 84114
801-538-7240

Water Rights Certification

April 10 - 11, 2014

A two day, in-depth training on Water Rights in Utah, including a 100 question certification exam

Water Rights Certification

The Utah Division of Water Rights and the Rural Water Association of Utah would like to announce a new certification program, tailored for water professionals, focused on the intricacies of Utah's water right's laws and regulations.

By completing the certification, you will be able to show present and future employers and the State Engineer that you have the knowledge to effectively work within Utah's water rights system.

It is crucial that water professionals of all types understand the ins and outs of the issues, laws and regulations.

This training provides the only in-depth review of Utah Water Right law as it currently stands, outside of attending a Law School.

The Certification Exam will be held onsite following the training. **PLEASE BRING A TABLET OR LAPTOP ON WHICH TO TAKE YOUR EXAM.** A limited number of testing devices are available on a first-come, first-served basis through the Rural Water Association should you need one. Please contact Shantell at Rural Water (801-756-5123) if you would like to inquire about a testing device.

1.2 Water CEUS earned for completing this course.

Agenda:

Thursday April 10, 2014

- 8:30 - 12:00 Water Rights Training
- 12:00 - 12:30 Lunch (Provided)
